2021-22: Monthly Information Sheet

Month :

August

Dear Parents,

Congratulations!!! We have successfully completed two solid months of this academic year. All the students would have completed 1) **Monthly test**, and 2) **Periodic Test - 1** by first week of August. Always keep up to date with all parental communication via academic **WhatsApp** Channel. It will help you to be aware of upcoming important events/activities.

Please feel free to contact your Class Teacher and/or Parents-Point-of-Contact (PPOC) of the school to ensure seamless live online classroom sessions continue to happen.

Our teachers are working non-stop to make quality education available to our kids via live online classroom sessions. Heritage Vidhyalaya is the first CBSE school in Salem to have rolled this out successfully with highest standards. Hope each of you are enjoying the online teaching and learning systems that IT Team @ Heritage Vidhyalaya have put in place.

**Remember, it is a form of kindness-to-others to obey the lockdown restrictions - to stay at home and to practise social distancing. Thank you for staying at home and keeping everyone around safe.**

Best Regards,

Chairman, Vice-Chairman, and Staff members @ Heritage Vidhyalaya

Note:

Online live sessions will only be served to those students who have the books & notebooks for this academic year. Students who have not got the books and notebooks are requested to plan accordingly. **Also, parents - in line with the Government Order - please plan to complete 40% of fees by Aug 2021 for this academic year.**

Academically we will cover:
