2021-22: Monthly Information Sheet

Month :

October

Dear Parents,

Congratulations!!! We have successfully completed **four months** of this academic year.

We have started issuing Term II books. Request you to visit our school and collect the books from the book store vendor. Or, you may purchase the same prescribed books from else where as well.

All our students have completed 1) **Monthly test**, and 2) **Periodic Test - 1**. Also, we have rolled out the schedule for **Periodic Test - 2** to students email address. As a new practice, we have introduced and started to implement daily **Quick Test** from Grade 5 to Grade 10 students successfully.

Parentes-Teachers Meeting for Grade-10, Grade-9, and Grade-8 were held successfully. **PTM will be held for all the other grades too**. Always keep up to date with all parental communication via academic **WhatsApp** Channel. It will help you to be aware of upcoming important events/activities.

Please feel free to contact your Class Teacher and/or Parents-Point-of-Contact (PPOC) of the school to ensure seamless live online classroom sessions continue to happen.

Our teachers are working non-stop to make high quality education available to our kids via live online classroom sessions. Heritage Vidhyalaya is the first CBSE school in Salem to have rolled this out successfully with highest standards. Hope each of you are enjoying the online teaching and learning systems that IT Team @ Heritage Vidhyalaya have put in place.

Remember, it is a form of kindness-to-others to continue practicing the learnings during lockdown restrictions - to stay at home and to practise social distancing - to prevent third wave. Thank you for staying at home and keeping everyone around safe.

Best Regards,

Chairman, Vice-Chairman, and Staff members @ Heritage Vidhyalaya

Note:

Online live sessions will only be served to those students who have the books & notebooks for this academic year. Students who have not got the books and notebooks are requested to plan accordingly. Also, parents - in line with the government order - please plan to pay the fees for this academic year. It is the responsibility of parents to enquire school office about the pending fees, and pay them on time.
