Assessment policy

At **Heritage Vidhyalaya** will follow the **Continuous and Comprehensive Evaluation (CCE)** System advocated by CBSE. A brief explanation is given below about the CCE System.

Classes: LKG and UKG (Pre-Primary)

The students will be assessed on the basis of day to day performance and regular classroom observations. The assessments would comprise of worksheets, assignments, recitation, reading, group discussions, dictation, project works, quizzes, extempore, multiple choice questions (MCQs), interactions, short answer questions (SAQs), field projects etc. Hence, there will be limited written tests in Tamil, English, Hindi (for UKG), Maths, EVS examinations for students of Pre-Primary classes.

Annual Examination will take place at the end of the session covering the **complete syllabus**.

Periodic Tests

Term I is from April to September, and **Term II** is from October to March. There will be three Periodic Tests of 50 marks for each subject, in a year, and an Annual Exam. The Time Table for each Periodic Test will be given in advance. Parents are requested to kindly note down these dates.

Periodic Test assessments will be taken using multiple tools such as written tests, assignments, projects, quiz, oral test, comprehensions, debate, elocution, exhibition, skits etc. From each assessment a certain percentage will be taken which will add up to 100 percent at the end of the year and an overall grade will be shown in the report card. (Details of the CCE system can be downloaded from the CBSE Website).

The grades reflected in the Report Card at the end of each term will be based on the Periodic Tests and would also include the pupils performance in class – work, home – work, project work and internal assessments on spelling, writing skill, reading, recitation, mental maths and computer practicals spread over the term.

Classes: I to V

Grade I and II - students in these grades will write Periodic Tests on English, Tamil (Vernacular), Maths and Environmental Science (EVS) - which are considered as primary subjects to arrive at grade. Also, they will be writing Periodic Tests on Hindi, GK and Computer Science.

Grade III, IV, V - students in these grades will write Periodic Tests on English, Tamil (Vernacular), Maths, Science, and Social Science - which are considered as primary subjects to arrive at grade. Also, they will be writing Periodic Tests on Hindi, GK and Computer Science.

Annual Examination will take place at the end of the session covering the **complete syllabus**.

Classes: VI, VII and VIII

Grade VI, VII, VIII - students in these grades will write Periodic Tests on English, Tamil (Vernacular), Maths, Science, and Social Science - which are considered as primary subjects to arrive at grade. Also, they will be writing Periodic Tests on Hindi, GK and Computer Science.

Periodic Tests (PT1, PT2 and PT3) will be conducted thrice a year including the syllabus cumulatively as follows:

1. Class VI:

- PT 1 covers 30% of syllabus
- PT 2 covers 10% of PT 1 syllabus + additional 20%
- PT 3 covers 20% of PT 2 syllabus + additional 30%

2. Class VII:

- PT 1 covers 30% of syllabus
- PT 2 covers 20% of PT 1 syllabus + additional 20%
- PT 3 covers 30% of PT 2 syllabus + additional 30%

3. Class VIII:

- PT 1 covers 30% of syllabus
- PT 2 covers 30% of PT 1 syllabus + additional 20%
- PT 3 covers 40% of PT 2 syllabus + additional 30%

Annual Examination will take place at the end of the session covering the **complete syllabus**.

Classes: IX and XII

Grade IX and X - students in these grades will write Periodic Tests on English, Tamil (Vernacular), Maths, Science, and Social Science, which are the primary subjects administered at Heritage Vidhyalaya, to arrive at grade.

No Semester System: Annual Examination will take place at the end of the session covering the **complete syllabus**.

Scholastic Area:

- Students will be graded in 9 point grading scale.
- Final Result will comprise the marks of **Annual Examination** – 80 marks; and **Internal Assessment** – 20 marks
 - Annual Examination** will be conducted of 80 Marks in which students need to secure 33% (27 marks).
 - Internal Assessment** comprises of **Periodic Tests** (10 Marks), **Notebook Maintenance** (5 marks), and **Subject Enrichment Activity** (5 marks) - out of which student need to secure 33% (7 Marks)

Internal Assessment (20 marks)

1. **Periodic Tests** (10 marks weightage)

Periodic Tests will be conducted thrice a year **including the syllabus cumulatively**. It will be conducted out of 50 Marks and **average of the best two out of 10** will be added in the **Internal Assessment**. Periodic Tests will be completed as follows:

- i. Periodic Test 1 - July (pre-mid term) - 30% of Annual syllabus
- ii. Periodic Test 2 - Sep (mid term) - 50% of Annual syllabus
- iii. Periodic Test 3 - Dec (post-mid term) - 80% of Annual syllabus

2. **Notebook Maintenance** (5 marks weightage)

This will be assessed before the end of each term based on the following parameters.

- i. Regularity
- ii. Assignment Completion
- iii. Neatness and upkeep of Notebook

3. **Subject Enrichment Activities** (5 marks weightage)

This will be comprised of techniques like

- i. Languages - Activities to develop effective speaking and listening skills like ASL / Reading / Dictation / Debate / Public Speaking etc.
- ii. Activities like Field Trips etc. will be conducted thrice a year.
- iii. Maths - Lab activities and projects as prescribed by CBSE / NCERT.
- iv. Science - Practicals, Model making as prescribed by CBSE in curriculum.
- v. Social Science - Map work and Projects as prescribed by CBSE in curriculum.

Co-Scholastic Area

i. Co-Scholastic activities will be assessed on a 5 point grading scale by the concerned teacher framing effective tools for the same

ii. Grading will not have any descriptive indicators and students will not be upgraded based on the co-scholastic grades

iii. Co-scholastic area will cover Work Education / Pre Vocational Education / Art Education / Health and Physical Education

Students will be graded by the class teachers for discipline in a 5 point grading scale considering the attendance, sincerity, behavior and values

Parent-Teacher meetings

There will be four Parent-Teacher meetings in a year. However, Report Cards will be issued only during the end of the academic year, after Annual Exam. Promotion to the next class is earned based on their continuous performance. So, it is imperative that students participate in every activity, competitions, project works, quiz etc.

Criteria for promotion to Class XII

For class IX, students would have to obtain at least 25% marks in the Periodic Tests (all PT-1, PT-2 & PT-3 taken together) to be eligible to qualify the examination i.e. at least 28 marks out of 90 marks & total 33% in each of the five subjects of scholastic area.

Appearing in all examinations is absolutely mandatory.

Note:

1. No retest of any kind will be conducted for Periodic Tests.
2. If any exam will be shifted from scheduled dates due to any circumstances then it will be mandatory for all to follow changed schedule as per given instructions & no application / excuse for any reason will be entertained for the same.
3. In genuine case of absence during examination the school Management will decide on the merit of each case. Decision relating promotion of such cases will be at the sole discretion of the school Management (Based on excellence in academics and attendance). The Medical certificate in case of medical leave should be submitted to the school within one week.
4. A student is eligible to appear for the examinations at class X level only when he/she has attained at least 75% of attendance for the 1st of the month preceding the month in which the examination of the School / Board commences.

S#	Class	Syllabus for Admission
1	Class I	<p>English: A or An, Singular and Plural (by adding 's'), opposite, names of wild and domestic animals, Days of the week and months of the year, Make sentences. Usage of this & these, that & those/ writing 3 to 4 sentences on topic of relevance like My Pet, Myself, My Father etc.</p> <p>Tamil / Hindi: Recognition and writing of alphabet, naming the picture (2 or 3 lettered words). Recognition and writing of numerals 1 to 10. Names of 5 fruits, 5 animals.</p> <p>Arithmetic: Numericals 1 to 100; Number names, (1 to 50), Before, after, Greater than and less than, Between, backward counting 20 to 0, Addition of 2 digit numbers without carrying, Subtraction of one digit number; shapes, concept of tens and ones.</p>
2	Class II	<p>English: Noun, Verb, usage of is, am, are has, have, Number, Gender, Opposites, Occupation, Days of the week, Months of the year; Cries of birds and animals; homes of animals, Jumbled words, use of capital letters and full stops, Paragraph writing (5 sentences) on topic of relevance like My Pet, My House, My Mother, My Father, Animals, Birds, Fruits, My School etc.</p> <p>Tamil / Hindi: Knowledge of matras, Number names 1to 10, Gender, Opposites, names of animals, fruits, vegetables and colours. Make sentences, Naming of pictures, Picture composition with simple sentences, comprehension.</p> <p>Arithmetic: Addition, subtraction, (2 and 3 digits without carrying), Problem sums on addition, subtraction, Before, after, between, backward counting, Ascending/descending order, Multiplication tables 2 to 10, multiplication without carrying.</p>
3	Class III	<p>English: Nouns (Proper & Common), Adjectives, Verbs, usage of is, am, are, has, have Change of gender of nouns, number; opposites; Occupation of people, use of capital letters and full stops; Preposition.</p> <p>Composition: Paragraph writing, picture description (10 sentences), make sentences, spelling, Comprehension.</p> <p>Arithmetic: Number names (upto 1000), Addition, Subtraction (3 digits, carry over), Multiplication; Division; Simple problem sums; multiplication tables (2-12), division of Rupees and Paisa, place value, expanded form, before, after, between, ascending, descending, Time.</p> <p>Tamil / Hindi: Gender, Number, Number names upto 1 to 50, Opposite, Occupations, Days of the week.</p> <p>Composition: Write 10 sentences on the things around you, on animals, leaders etc make sentences, comprehension.</p>
4	Class IV	<p>English: Grammar: Subject and Predicate; number, gender, pronoun, articles, tenses (simple and continuous), Adjectives of Quality, quantity, Adverbs of (manner, time & place), conjunctions, collective & abstract nouns, preposition, make sentences. Composition: Comprehension, paragraph writing, picture description, letter writing (informal).</p> <p>Arithmetic: Number Names till 10,000, Addition with carrying, Subtraction (four digits), multiplication & division (2 digits), Problem sums on (add/sub/multi/div)/Simplification on Add and sub only/ Conversion m to cm and cm to m, place value, expanded form, ascending and descending order; Geometry : Ideas on geometrical figures like, square/triangle/rectangle.</p> <p>Tamil / Hindi: Number Names 1 to 100, Noun/adjective/verb/number/gender/Names of months, pronouns /make sentences. Composition: Paragraph writing (10 to 15) sentences.</p>
5	Class V	<p>English: Grammar: Noun, pronoun, articles, preposition, Adjectives, verb, Tense (simple & continuous) Adverbs, kinds of sentence, Subject predicate, object, transitive & intransitive verbs, Active and Passive Voice. Composition: Picture description, paragraph writing, letter writing (informal), comprehension.</p> <p>Mathematics: Large numbers:- place value, face value, Indian & International place value system. Roman Number – 100, addition & subtraction with problem sums .multiplication and division with properties and problem sums, multiple factors:- even & odd numbers, prime numbers, factorization.</p> <p>Tamil / Hindi: Grammar: Classification of Verb, Noun, pronoun, adjectives, verbs, adverbs, number, gender, opposites, samanam subjects/predicate, Synonyms, one word for a group of words. Composition: write 15 sentences on autobiographies, letter writing- informal.</p>
6	Class VI	<p>English: Grammar: Parts of Speech, Number/Gender, Article usage, Tenses, (fill in the blank with correct form of the verb) active and passive voice, agreement of the verb with the subject Compositions: Paragraphs; Comprehensions; letter writing (informal), sentence making, story writing</p> <p>Mathematics: Factors (LCM, HCF), fractions-Decimals-idea, areas, percentage (without problem sums), Roman Number, basic operations of large numbers.</p> <p>Geometry: Straight line, angle, triangle and its kinds.</p> <p>Tamil / Hindi: Grammar: Changing of Gender and number, make sentences, nouns, pronouns, verbs, adjectives, opposites, synonyms, homonyms. Composition: Paragraphs-Narrative & Descriptive, letter writing: Informal, comprehensions.</p>
7	Class VII	<p>English: Grammar: Parts of speech (Identification/ fill in the gaps with special emphasis on Preposition, adjective, adverb, verb)/ Sequence of tenses, agreement of the verb with the subject/ Active-passive voice/ reported speech, articles. Composition: Paragraph-Narrative/descriptive/ Comprehension/ letter writing formal/ informal.</p> <p>Mathematics: Arith: Diff operations on whole numbers, Problem related LCM, HCF, Ratio proportion, percentage and its applications, addition, subtraction, multiplication and division, word problem on fractions, decimals and integers. Algebra: Operations on algebraic expressions (add/sub) linear equations with one variable. Geometry: All types of angles, lines (pair of lines and transversal), types of triangles quadrilateral with diagrams/perpendicular and drawing of angles-multiple or submultiple of 15 degree construction of bisector of lines and angles.</p> <p>Mensuration: Perimeter and area of rectangle and square using formula, perimeter of triangle, components of circle.</p> <p>Tamil / Hindi: Gender-number-sandhi-subject-object-parts of speech, opposites, correction, expressing an idea in one word, synonyms and homonyms. Composition: Essays, narrative, descriptive, letter writing: informal, formal, comprehension.</p>
8	Class VIII	<p>English: Grammar: Parts of speech (Identification/ fill in the gaps with special emphasis on Preposition, adjective, adverb, verb)/ Sequence of tenses, agreement of the verb with the subject/ Active-passive voice/ reported speech, clauses, conditionals, gerunds & infinitives. Composition: Paragraph-Narrative/descriptive/ Comprehension/ letter writing (formal/informal) notice writing.</p> <p>Arithmetic: Arithmetic- Integers, fractions, Decimals, Rational Numbers, exponents, Algebraic expression, linear equation in one variable (problem sums), ratio and proportion, Unitary method, percentage, profit/ loss, Simple interest, lines and angle, Parallel lines, properties of triangle, congruence of triangles, construction of triangles, mean, median, mode of ungrouped data, bar graphs, probability, perimeter and areas of rectilinear figure(rectangle, square, triangle, circle).</p> <p>Geometry: All types of angles, lines (pair of lines and transversal), types of triangles with diagrams/ drawing of angles-multiple or submultiple of 90 degree. Mensuration : Perimeter and area of rectangle and square using formula, perimeter of triangle.</p> <p>Tamil / Hindi: Gender-number-sandhi-subject-object-parts of speech, opposites, correction, expressing an idea in one word, words of same meanings, case, prefix-suffix. Composition: Essays, narrative, descriptive, letter writing : informal/ informal.</p>
9	Class IX	<p>English: Grammar & Composition Comprehension, letter writing (informal/ formal), paragraph writing, notice writing, dialogue writing, parts of speech, voice, determiners, sentence completion, sequence of tenses, agreement of the verb with the subject, conditionals; reported speech.</p> <p>Tamil /Hindi: Sandhi, change of speech (padparibartan), bakbidhi, Subject/object, case – ending, parts of speech, padparichay, Composition: Essay (narrative, descriptive, reflective), Precis writing (only Tamil), Different tenses, Samash, Correction of errors, Tranformation of sentences, letter writing: informal (Tamil) Letter Writing: formal (Hindi)</p> <p>Mathematics: Rational Numbers, Exponents, Square & Square roots, Cubes & cube roots, profit & loss, Compound interest, discount, ratio proportion, time and work. Operation on algebraic expressions, identities: (a+b)², (a-b)², a²-b² Factorization of polynomials using above identities, by middle term breaking. Linear Equation in one variable and problem on linear equation. Volume & surface Area of cuboids, Cube & right circular cylinder. Area of a trapezium & a polygon. Quadrilaterals, parallelograms. Construction of Quadrilaterals. Data handling, Construction & interpreting bar graphs, pie chart, probability Science</p> <p>Chemistry: Fuels (fossils- coal and petroleum), Alloys and corrosion (concept effect and prevention) Balancing reactions.</p> <p>Physics : The universe _ solar system, earth – diameter, moon, sun, stars, comets, meteors Light- refraction glass- slab, prism, ray diagram for lenses. Electric current- Concept of charge, current, cell voltaic, dry, effects of electric current.</p> <p>Biology: The world of Micro-organism, Cell structure plants and animals, soil erosion and conservation.</p>

S#	Term	Date	Montessori	Class 1 and 2	Class 3 to 5	Class 6 to 9 , 11
1	Term 1	Jul 15, 2025 - Tue	Kamarajar Birthday Celebration - 1st to 9th & 11th standard - elocution competition, etc			
2	Term 1	Aug 08, 2025 - Fri	Montessori Rhymes competition			
3	Term 2	Aug 14, 2025 - Thu	Krishnajanathi celebration - PreKG to 8th			
4	Term 3	Aug 22, 2025 - Fri	Word Framing			
5	Term 1	Aug 26, 2025 - Tue	Vinayagar Chathurthi celebration - during first half day in the morning, classes will continue post noon for PreKG to 12th			
6	Term 1	Sep 05, 2020 - Sat	Teacher's day celebration - school operates only for first half a day, games for teachers are conducted from 2:00pm to 4:00pm			
7	Term 2	Oct 10, 2025 - Fri	Paper folding	Greeting Card Making	Enact a personality	Wealth out of waste
8	Term 2	Oct 17, 2025 - Fri	Diwali Celebration			
9	Term 2	Nov 28, 2025 - Fri	Montessori colours day celebration			
11	Term 2	Jan 13, 2026 - Tue	Pongal celebration at school			
12	Term 2	Jan 26, 2026 - Mon	Republic day celebration			
13	Term 2	Jan 30, 2026 - Fri	Founders day celebration - Competition (Painting, elocution, etc)
